SIGMA[®]

is proud to introduce our innovative 4x4 bath product line.

This visionary collection is crafted to simplify the decision-making process for both showroom consultants and consumers alike. With the 4x4 bath products, customers can effortlessly achieve their dream bathroom designs while maintaining affordability. This remarkable line opens doors to a world of possibilities, offering over 125 contemporary design options that cater to diverse tastes and preferences.

The “4x4” bath line is the perfect solution for those seeking convenience and creativity in bathroom design. Showroom consultants will find that guiding clients through the selection process has never been easier. With such a versatile range of design choices, consultants can effortlessly tailor bathroom spaces to reflect each client’s unique vision, all while ensuring the project remains budget- friendly. This line simplifies the entire design experience, empowering consumers to explore and personalize their bathrooms like never before.

At the heart of the 4x4 bath products lies a commitment to balancing style and affordability. SIGMA recognizes that a beautiful bathroom doesn’t have to come at a premium cost. This collection stands as a testament to that belief, offering exquisite contemporary designs that enhance any bathroom while respecting the budget constraints of today’s consumers. With the 4x4 collection, achieving a stunning, value-priced bathroom has never been more attainable, make the dreams of a stylish and functional space a reality.
